

Fall FUNdraiser Check-in & Chat – Community/Area FAQ & Resources

Does the community still get benefits for Juliettes?

Yes, a Juliette is essentially a troop of one, so if a Juliette sells at least one item, then they will get that \$1.25 in proceeds. This is great for Juliette Mentors since they can simply get all their items sent to their location.

How early can I request extra [order cards](#)?

As soon as you know you need them you can request extras here: Fall Materials Request Form:
<https://wkf.ms/45jizWX>

Girl Scout Fall FUNdraiser Family Responsibility and Permission Form. This form is required if your Girl Scout is only participating in snack order card sales. If a Girl Scout is participating in online sales, they will simply complete the form when they login to M2OS.
